## SOMETHING FOR EVERY STUDENT

**Getting Smart With the Basics (Flexible start & end dates):** Is your student missing important skills in his/her math knowledge? Does your student need a good review of prior concepts? This series is designed for students entering 5<sup>th</sup> grade through Math 8 in the fall. It will diagnose student weaknesses and prepare him/her for the next math class. All students will be given a basic skills analysis as part of the course.

Class includes 12 hours of instruction with pre-and post-testing.

Summer special: Group \$450; Private \$650

**Preview your NEXT Mathematics Course (Flexible start & end dates):** Get ready for Algebra, Geometry, Algebra II, Pre-Calculus, Calculus or Statistics. Learn key concepts to make the transition easier. Sessions are designed to develop confidence and success in the upcoming class.

Class includes 12 hours of instruction with pre-and post-testing.

Summer special: Private \$650

**Discovering Engineering:** This class will explore topics such as robotics, applied physics, and mechanical systems. (No class on Thursday, July 6<sup>th</sup>.) Enroll through SCV Parks and Recreation. (12-16 yrs old) Min/Max: 5/6 students

June 22<sup>nd</sup> – July 13<sup>th</sup> Thursday 1pm-3pm

**PSAT Workshop:** PSAT prep is highly recommended for 10<sup>th</sup> and 11<sup>th</sup> grade students. This exam can be taken in October of the student's sophomore and junior year with results sent to all colleges! The National Merit Scholarship Awards are determined by the score you receive during your junior year. Dates: TBA

Summer Special \$495

**Combined SAT & ACT Workshop:** All Juniors and Seniors need to prepare for these important exams. Counting for up to 40% of the college admissions scoring, the results can mean the difference between the reach schools or settling for a second tier school. Our program is unique because we prepare you for all sections on both exams. Guaranteed results of at least a 150 point increase between pre-and post-exams or students may come back to continue their studies. All students are welcome to take additional practice exams throughout the year for free. Dates: TBA Value: \$995
